Welcome to Rideau View Golf Club

On behalf of everyone at Rideau View, we are thrilled to welcome you as our guest. Since our founding in 1957, Rideau View has been built on the principles of family, inclusion, and community. The legacy of our founders lives on in a club that values its role as a leader in equality, social responsibility, and environmental stewardship.

While we are proud of our nationally recognized golf facilities, it is our members and the warm relaxed culture they foster that truly makes Rideau View special. We hope you enjoy your time with us and experience firsthand what makes our club such a unique and welcoming place.

We kindly ask that all guests familiarize themselves with our club policies to help ensure an enjoyable experience for everyone.

Extreme Weather Policy:

The golf club is equipped with a lightning detection system located on the roof of the Pro Shop. When the warning horn sounds (one long blast), all members and guests must immediately leave the golf course and practice facilities. Please seek shelter in the Clubhouse, Pro Shop, or your vehicle. For safety reasons, players must remain in a secure location until the all-clear signal (three short blasts) is sounded.

Practice Facilities:

West End: Located between the 1st and 10th tees, the West End features 18 artificial turf hitting stations and a 10,000 sq. ft. putting green with chipping aprons. A large fairway style landing area includes colour-coded yardage markers every 25 yards from 100 to 250 yards.

East End: Designed for skills development, the East End offers a short game area with three target greens (up to 75 yard shots), two bunkers (greenside and fairway), and a grass tee for long game practice. This area supports extended sessions without interfering with West End users.

Practice Facility Rules

- Practice balls are available at both ends.
- Full flight yellow balls are provided in buckets at all stations.
- White limited flight balls (less 20%) are available for those with high dispersion or long carry (>275 yards).
