

Dear Friends,

On behalf of the members of Rideau View Golf Club, thank you for your interest in supporting mental health research at The Royal Ottawa Mental Health Centre. We are pleased to, once again, present the annual Rideau View Inspirational Golf Classic in support of mental health. We invite you to join Rideau View members, business leaders, and loyal supporters as we tee it up at one of Ottawa's premier private golf courses, Rideau View Golf Club in Manotick.

Each year, the tournament recognizes and honours a local individual, family, or organization that has been involved with, or touched by this worthy cause. The 2023 Inspirational Golf Classic is dedicated to the memory of Jamie Hubley. Jamie died by suicide at the age of 15 after years of bullying which led to a depression and severe mental health challenges. Jamie was an award-winning figure skater and was beginning to be recognized as a singer who just wanted to help make others happy. By supporting the suicide prevention research at The Royal, you will help prevent other families - and maybe your own - from experiencing the tragic loss of a family member.

Our goal is to raise \$500,000 over five years. These funds will support **The Royal's Institute of Mental Health (IMHR)** suicide prevention research. In January 2018, the IMHR recruited Dr. Zachary Kaminsky. Dr. Kaminsky is currently conducting cutting-edge epigenetic research that seeks to measure, through a blood test, the degree to which an individual may be vulnerable to stressors that could increase their risk of suicidal thoughts or acts. Through the use of advanced technology, Dr. Kaminsky's research aims at monitoring internal processes (biomarkers) and external behaviours to identify those most at risk. To date, the *Rideau View Inspirational Golf Classic*, raised over \$447,000 making it the largest community golf tournament in the history of The Royal.

It is our sincere hope that you will help us support this effort to improve or even save the lives of some of those suffering from mental illness. Your involvement in the **2023 Rideau View Inspirational Golf Classic** will provide an opportunity to profile you and/or your company to an influential audience while networking with likeminded members of our community.

Please take a moment to review the information in the link below which outlines details of the tournament and sponsorship information. Through the support of our generous sponsors and donors, we will maximize the impact we have on the lives of those suffering from mental illness. Together we can make a difference.

Thank you in advance for your consideration,

# **Steve Byrne**

President – Rideau View Golf Club, (613) 692-3442

It is estimated that currently 3.5 million Canadians suffer from some form of mental illness. For those experiencing suicidal thoughts or a suicidal crisis, nothing is more important than access to timely help. We invite you to join us for the **2023 Rideau View Inspirational Golf Classic** in support of this cause.
